INTRODUCCIÓ

El present document recull les publicacions indexades a la base de dades Scopus durant el període comprès entre el mesos de gener a abril de l'any 2014, escrits per autors pertanyents a l'ESAB. Es presenten les dades recollides segons la font on s'ha publicat, els autors que han publicat, i el tipus de document publicat. S'hi inclou un annex amb la llista de totes les referències bibliogràfiques publicades.

RESULTAT

En aquest període (gener-abril 2014), s'han publicat 24 documents.

REVISTES

A continuació es mostra una relació dels títols de les fonts on s'ha publicat, seguidament del nombre d'ítems totals que s'han publicat. La darrera columna indica el quartil de Journal Citation Reports on s'ubica aquesta revista (s'indica el millor quartil, si és que la revista s'hi troba en més d'una categoria).

AUTORS

Es presenta en aquesta taula el nom dels autors que han publicat, seguidament del número d'articles que han publicat. S'enllaça al seu perfil d'ORCID (identificador d'autor), si en té. Cal mencionar que el sumatori dels articles és superior al nombre d'articles totals publicats degut a les co-autories.
